

2023

ANNUAL REPORT

Orangeville Public Library

The **Orangeville Public Library** has been serving our community for over 90 years by providing free access to print and non-print resources to residents. Resources include adult and children's books, DVDs, audiobooks, public computers and WiFi access, children's programming, and other special events. **Membership at the Library is free of charge, regardless of residency!**

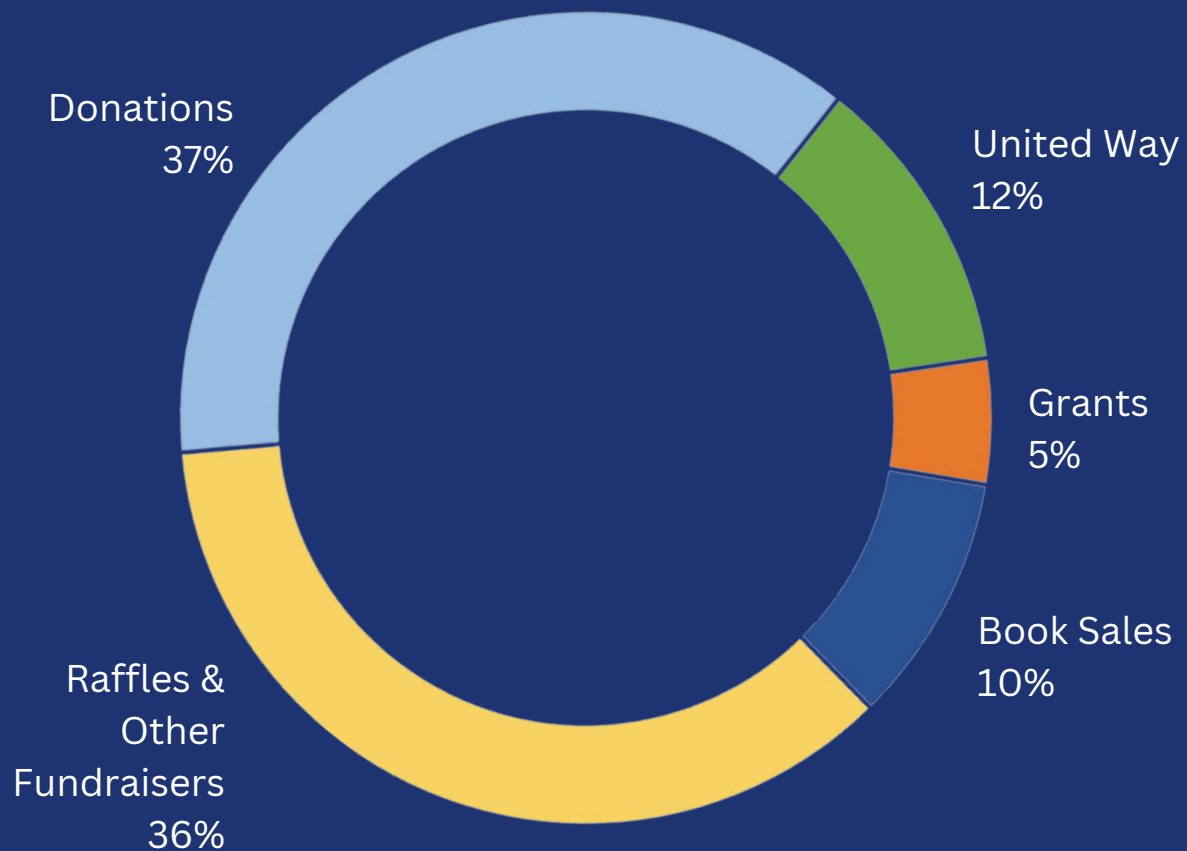

MISSION

To meet the informational, educational, recreational, and cultural interests and needs of our community by providing free and timely access to print and non-print resources appropriate to those needs. We seek to promote lifelong learning, a love of reading, literacy development, and imagination building to enrich the lives of the patrons we serve.

VISION

The Orangeville Public Library will celebrate ideas and promote creativity by nurturing a diverse community of readers and dreamers through a commitment to lifelong learning and an exceptional library experience.

2023 INCOME

The chart above shows the Orangeville Public Library's income sources in 2023. We rely on community partnerships through fundraisers, grants, and monetary donations to support the programs and resources offered at the Library.
